# LACTEUR

Bullseye X Tropic EX-93 X Unix VG-88 X Doorman EX-94

We are thrilled to have this unique bull for our program. We knew we wanted a sire from the Master Breeders at Comestar and are excited to add this this early Bullseye son to our lineup. This family is 13 generations deep, back to Laurie Shiek. His 4th dam is Canadian Cow of the Year Lamadonna, EX-94, followed by Unix and Tropic. His dam is a dairyman's dream and making big records at Comestar. Use him on Hanans, Hancock, Hulu\*RC, Parfect, and all Doc pedigrees.

Showbox Sires® semen from Lacteur is available exclusively through
