Meet one of our most highly anticipated releases of 2026, ROYAL-RED! He offers a unique, Delta-Lambda-free pedigree that will be compatible with many of today's popular showing-focused bloodlines, and he's the only available Red & White sire to combine over +2.70 Type with more than +350 pounds of Milk! There's no mystery as to why breeders have been anxiously waiting for this sire to hit the market. Contact your local Select Sires representative to order today.
