# DONATELO

Alligator X Casper EX-95 X Delta EX-92 X Doorman EX-94

The "D" family at Kings-Ransom has bred tremendous cattle for the past three decades. The cows produced by this family thrive in modern environments and can compete at national shows. This family was the anchor to their recent senior best three All-American group. DONATELO's dam, Kings-Ransom Casp Daze-ET (EX-95-2E-EX-MS), is one of the best uddered cows you will see in your lifetime. We love the addition of Alligator to this family to build greater power and wide, correct rumps. Use him on daughters of Lambda, Unix, and Sidekick.

Showbox Sires® semen from Donatelo is available exclusively through
