ACETYLENE-RED is just what our program is about. He is from the best cow family of one of the most prominent breeding herds in the world, Luck-E.

We love that he is a bit of an outcross for the Red and White breed with very nice numbers. His daughters are FANCY.

Use him on daughters of Altitude-Red, Warrior-Red, Unstopabull-Red, Diamondback*RC, Showtime*RC, and Avalanche*RC.
